TEXTS FOR HOME READING

Chișinău
U.T.M.
2013

“Texts for home Reading” is designed for intermediate and upper-intermediate and students who are studying at speciality Informatics and Applied Languages. It aims at helping students to build their vocabulary and improve their comprehension reading skills. The stories are with vocabulary comments and questions for checking the understanding and discussion. It can also be used either under the guidance of a teacher or by interested learners on their own.
