<b>Patent / patent application title</b>	<b>MODELING CLOTHES FORM FROM FELTED MATERIALS</b>
<b>Authors</b>	<b>OLGA SUGAC OLESEA, PLUGARU</b>
<b>Patent / patent application N°</b>	
<b>Description</b>	<p>These clothing items represent original eco-friendly models, made by felting wool fiber, which assured increased consumption properties of the obtained garments. In the process of designing these felted items some special drafting and modeling methods were used, as well as different embellishment techniques.</p> <p>Produsele de îmbrăcăminte reprezintă modele de autor ecologice realizate în tehnica de împîslire din fibre de lîna, ce a asigurat proprietățile de consum sporite ale modelelor obținute. În elaborarea modelelor au fost utilizate metodele specifice de modelare a formelor vestimentare din materiale împîslite cu folosirea diferitor tehnici de garnisire a acestor materiale.</p>
<b>Domain</b>	Textile products and technologies, confections and design.
